THE NORTH FACE NIGHT ROCK RUN - EVENT DETAILS

MANDATORY GEAR

TO BE CARRIED AT ALL TIMES BY EACH PARTICIPANT

IMPORTANT PLEASE READ!

Please understand that we are trying to keep these low-key events fun and friendly, and the day we start rifling through bags checking every item on the mandatory list and stopping people running the event is the day that the fun and friendliness changes into a different experience.

The list has been given from personal race knowledge and experience for your own safety and is not there just to be mean and make you carry more stuff! Accidents happen and your first aid kit, whistle and mobile phone are essential to minimising injury. It is also getting increasingly warm - dehydration is a potential life-threatening situation - your water supply and electrolytes are essential for proper hydration and staying cramp-free.

By agreeing to run you are agreeing to be a responsible athlete, and confirm that you have the mandatory gear for your own safety.
