## ■ Checkpoints

Water checkpoints will be located at the 5k turn for the 10k runners. At the 10k turn for the 20k runners and at 15k turn for the 30k runners. Water, fruit and energy drinks will be provided during the race at the checkpoints but please make sure that your obligatory hydration pack (1.5 ltr) is fully-filled from your own supplies before the start.

## ■ Mandatory Gear - IMPORTANT PLEASE READ! *ITEMS TO BE CARRIED AT ALL TIMES BY EACH PARTICIPANT*

**By agreeing to run you are agreeing to be a responsible athlete, and confirm that you have the mandatory gear for your own safety.**

Please understand that we are trying to keep these low-key events fun and friendly, and the day we start rifling through bags checking every item on the mandatory list is the day that the fun and friendliness changes into a different experience. The list has been given from personal race knowledge and experience for your own safety and is not there just to be mean and make you carry more stuff! Accidents happen and your first aid kit, whistle and mobile phone are essential for your safety. It is also getting increasingly warm - dehydration is a potential life-threatening situation - your water pack and electrolytes are essential for proper hydration and staying cramp-free.

- **1.5 LTR HYDRATION** - (Nathan/Salomon/Camelbak, bottles etc) full to capacity at the start line.
