■ COVID-SAFETY - IMPORTANT PLEASE READ

****NO Check-in ... No Briefing ... ARRIVE & RUN between 8:00am and 8:30am ULTRA DISTANCE 50K runners will start their race promptly at 6:00am**

- *To limit the possible spread of the virus we are trying out a new format where you will 'ARRIVE & RUN'. This means that you must arrive between 8:00am and 8:30am. Runners can begin to run anytime during that slot. No runners will be permitted to run after 8:30am (no matter how much you plead or cry!) The new format gives an extra dimension to your competitors too – no one can see who is ahead or behind, so it is all out if you want to win!*
- *Please ensure you do not gather in any groups – socially distance yourself from any other runner at the start, checkpoints and in the car park*
- *You will be requested to wash your hands thoroughly at the start of the race - water and soap is provided*
- *There will be NO TOUCHING the water dispensers by runners, a member of staff will assist you to fill your bottle*
- *Sanitizer will be mandatory if you wish to take fruit from checkpoints - or you can kindly ask a staff member to assist - sanitizer is provided*
- *Runners will wear masks unless on the course running – masks are mandatory at all other times (please keep it with you!)*
- *Runners not wearing a face mask when not running will be kindly ask to wear one or leave (no excuses, we provide a bandana in your race pack)*
- *There will be no pre-race briefing, so you need to read your Athlete Guide thoroughly*
- *Whilst on the course, please allow as much space as possible between runners or if passing someone*
- *Because of the staggered start we will not know who has won the race until everyone has finished, therefore we will award trophies at a later date without a gathering. We will notify winners by email or telephone the following day to arrange trophy presentation.*
- *There will be fruit on checkpoints BUT NOT at the start/finish point - only water will be available at the start/finish point*
- *Runners are asked, that once their race is completed, to immediately leave the area. This is not our usual friendly trail community style, (we all like to have a chat about PBs and how lost you got, or how there weren't enough markers!), however we would like to keep bringing you these races for the entire season, so for the timebeing we would kindly ask that any post race nattering be done away from the finish line in groups no larger than 5 people.*
- *If you are experiencing ANY signs of the covid virus - PLEASE DO NOT attend the race. Please go straight to a testing centre and get yourself checked out.*

RACE WAIVER: Please note that although our races are fully covered by insurance and medical services are in place, these are in service for the duration of the race and for emergency treatment only and do not include post event treatment by your chosen medical facility. Nor do they include a choice of medical facility in an emergency situation. By agreeing to participate, you understand that Urban-Ultra, any of its staff, race partners or related companies are not liable for any injuries sustained during the race or any medical treatment after emergency care has been administered. By registering for the race you agree to these terms and conditions of entry. The FULL RACE WAIVER is at the end of this document. Thank you.

RACE DISTANCE ACCURACY: We try to make the distances as accurate as possible, however due to the nature of trail and also the differences between GPS watches, please understand that the full distance may vary plus or minus a couple of km, and will never be exact. This is the nature of trail running and more often your distance will exceed the distance advertised. If it's a bit more, you just get to enjoy it a bit more!
