LOCATION

Drive towards Bab Al Shams from Arabian Ranches following the Al Qudra bike path (on your left). From the Bab Al Shams entrance sign, zero your odometer and continue the same road for a further 5km. The bike path will curve left into the desert. Turn off here onto the hard pack sand and follow the bike path for a further 4.6k (suitable for saloon cars). There will be a sign for a right turn heading towards the dunes - you should see signs of the campsite from here.

PLEASE AVOID DRIVING ON THE BIKE PATH
