### IMPORTANT PLEASE READ!

Please understand that we are trying to keep these low-key events fun and friendly, and the day we start rifling through bags checking every item on the mandatory list and stopping people running the event is the day that the fun and friendliness changes into a different experience - for everyone.

The list has been compiled from personal race knowledge and experience, and for your own safety - it is not there just to be mean and make you carry more stuff! Accidents happen and your first aid kit, whistle and mobile phone are essential to minimising misery and injury. Dehydration can be a serious issue affecting not only your physical state but your mental one as well - your water pack and electrolytes are essential for proper hydration and staying cramp-free. Overhydrating can also be a risk so please ensure you have a good balance of water as well as replacement salts/electrolytes. By agreeing to run you are agreeing to be a responsible athlete, and confirm that you have the mandatory gear for your own safety.
